

**Prof. Aparajita Bhattacharya** is a visiting professor of Physics, at the department of Physics, Adamas University. Formally she was the professor and head of the department of physics, Jadavpur University. She has done her B.Sc.(Hons), M.Sc.( High Energy Physics) and Ph.D. in Particle Physics from Jadavpur University. With training in high energy physics her research interests include Particle Physics (phenomenology), Exotic particle, Early Universe, QGP, Neutrino Physic, Hypernuclei and Fractals. She presented her research papers at in various conferences held in USA at MIT, Carnegie Mellon University, University of Illinois, University of Virginia, Abdus Salam International Center for Theoretical Physics, Trieste, Italy, University of Hamburg. She has published more than 85 peer reviewed journal papers. She has guided 12 Ph. D students who are awarded Ph.D. degree by Jadavpur University and completed several projects under UGC and DST.
